## Rosehill Housing Co-operative Equality Impact Assessment

| Name of policy to be assessed    | Racial and other Harassment<br>Policy | Is this a new policy or a review | Review  |
|----------------------------------|---------------------------------------|----------------------------------|---------|
| Person completing the assessment | Linda Chelton                         | Date of Assessment               | 31.7.20 |

| 1. | Briefly describe the aims,<br>objectives and purpose of the<br>policy                           | The purpose of this Policy is to set out our approach to dealing with Racial and other harassment which involves preventative and reactive measures.  |
|----|---|---|
| 2. | Who is intended to benefit from the policy? (eg staff, applicants, tenants, staff, contractors) | Tenants, staff and the wider community  |
| 3. | What outcomes are wanted from this policy? (e.g. benefits to customers)                         | Ensure we take early action in relation to complaints of harassment to<br>enable tenants to live peacefully in their homes and community.<br>Work with our tenants and key agencies to create a safer, peaceful community<br>where people want to live. |

| 4. Which protected characteristics could be affected by the policy (tick all that apply)   |  |  |  |  |
|--|--|--|--|--|
| Minority Ethnic :       x         Gender:       Religion/belief: x         Disability:       x         Sexual Orientation:       x         Marriage/civil partnership:       Maternity/Pregnancy:         5. If the policy is not relevant to any of the protected characteristics listed in part 4. State why and end the process here.         N/A |  |  |  |  |
| 6. Describe the likely positive or negative impacts the policy could have on the groups identified in part 4   | Positive Impacts         Mental Health: For both victim and perpetrator we offer mediation and support through Glasgow City Council community safety partnership.         Disability: Support mechanisms are available to support disabled victims of harassment. The Allocations policy also has the ability to award management transfers to tenants where their health is severely affected.         Visual/Hearing Disability: Where the | Negative Impacts<br>Mental Health: The harassment may be<br>as a result of mental health issues. We<br>will work with perpetrators but lack of<br>engagement could be problematic and<br>lead to tenancy enforcement action. The<br>process followed to resolve ASB will be<br>used for harassment this may exacerbate<br>the mental health condition. |  |  |
|  | <b>Visual/Hearing Disability:</b> Where the victim or perpetrator have visual or hearing impairments we have access to   |  |  |  |

| our information to be made available in<br>an accessible format.<br><b>Sexual Orientation/ Transgender:</b> This<br>Policy has mechanisms in place to deal<br>with hate crime. We have a close<br>working relationship with the local Police<br>and will have intelligence of any issues in<br>the area relating to hate crime<br>incidences. This will enable support to<br>be put in place for our tenants.   |  |
|---|--|
| <b>Minority Ethnic/Religious belief:</b> This<br>Policy has mechanisms in place to deal<br>with hate crime including sectarianism<br>and racial harassment. We have a close<br>working relationship with the local Police<br>and will have intelligence of any issues in<br>the area relating to hate crime<br>incidences. This will enable support to<br>be put in place for our tenants. We also<br>have our documents and website<br>available in a number of different<br>languages for people whose first<br>language isn't English. |  |
| <b>Older People:</b> An assessment of the level of harm being experienced by an older person will be undertaken. We have information on all our more vulnerable tenants including what family support is available.   |  |

| 7. What actions are required to address the impacts arising from this assessment? |  | <ul> <li>issues.</li> <li>2. Ensure that we perpetrators to assessment.</li> <li>3. Make sure the available in the available in the sure that a sure t</li></ul> | have adequate training about mental health<br>we have robust process for referral of<br>to Adult Social Care for mental health<br>at we have robust information on support<br>he area.<br>s of family support for vulnerable tenants<br>adequate information is collected from new<br>hd disabilities, vulnerabilities and support. |
