MPS	Model Publication Scheme
	Produced by the SIC – this details all of the information that those subject to FOISA should publish (if they hold it)
Guide to Information	A guide that all organisations subject to FOISA and adopting the MPS must produce to help people access the information it makes available
Classes of Information	Nine broad categories describing the types of information authorities should publish (if they hold it).

1. Background

- 1.1 The Freedom of Information (Scotland) Act 2002 (FOISA) requires that all housing associations/co-operatives in Scotland must produce and maintain a publication scheme. This must detail all of the key information that we publish and how you can access it. This Guide to Information is our publication scheme, and contains links to where you can find all of the information listed online.
- 1.2 Rosehill Housing Co-operative Limited has adopted the Scottish Information Commissioner's (SIC) Model Publication Scheme (MPS), and this Guide has been approved by the SIC.
- 2. Formats other than online
- 2.1 All of the information listed is available on our website (unless stated), and completely free to access online. However, we understand that not everyone will have online access and where this is the case you can contact us to view this in our office (where this would be convenient).
- 2.2 If you would like a printed copy of any of the information listed, unfortunately we may have to charge a small fee to provide this. This fee will never exceed the cost of photocopying and postage and we will let you know any total cost before we forward this to you.
- 2.3 Our charges for providing any information detailed in this guide are summarised below:

Format	Charge
Online	Free
View at our office	Free
A4 Print in black and white	1p per sheet
A3 Print in black and white	2p per sheet
A4 Print in colour	4p per sheet
A3 Print in colour	4p per sheet
CD Rom	£0.50
Posted document/CD Rom	Cost of postage incurred

- 2.4 If you would like to request information that we publish in a format other than online, or arrange a visit to our office to view information, please contact us at:
 - Rosehill Housing Co-operative Limited, FOI, 250 Peat Road, Glasgow, G53 6SA

• Tel: 0141 881 0595

• Email: foi@rosehillhousing.co.uk

- 3. Information that we cannot publish
- 3.1 Whilst we will try to make all of the information we have detailed available, in rare cases there may be some information that we cannot make available. For example, sometimes if we were to publish certain Committee minutes, it could reveal personal details about an individual. This would be a breach of Data Protection legislation if we were to do so. When this is the case, we will remove any personal details before publication and highlight where and why we have done so.
- 4. For how long will information be published?
- 4.1 We aim, where possible, to publish information for at least the current and previous two financial years. When we review any document e.g. our policies to avoid confusion we will only publish the current version once it has been updated.
- 5. Copyright and re-use
- 5.1 Where we hold the copyright on our published information, the information may be copied or reproduced without formal permission, provided that:
 - It is copied accurately
 - It is not used in a misleading context
 - The source of the material is identified
- 6. Contact Us
- 6.1 If you have any queries about anything contained within this Guide to Information, or if there is some information that you cannot find that you would like to access, please contact:
 - Rosehill Housing Co-operative Limited, FOI, 250 Peat Road, Glasgow, G53 6SA

• Tel: 0141 881 0595

• Email: foi@rosehillhousing.co.uk

• Website: http://www.rosehillhousing.co.uk/contact-us/

- 7. The Information that we make available to you
- 7.1 Under the MPS, the information we provide must be listed under certain "classes" of information. These are the categories of information that are detailed below. As FOI applies to other bodies and sectors across

Scotland – such as Scottish Government and Councils for example –this means that not all of the categories in the MPS apply to housing associations/co-operatives.

7.2 The details of all the information we hold under each of the classes that apply to our organisation, and hyperlinks to access this information when available online, are outlined below.
