

Community Fun Day

**FREE
EVENT**

We had so much fun at last year's event, which was for our 30th Anniversary, we decided to do it again! This year's fun day will be on Thursday 8th August from 12:30pm to 4:30pm, and is open to all those living in the local area and is absolutely free.

There will be plenty of activities on offer including: bouncy castles, face painting, rodeo bull, selfie station, toddler station, mini Olympics, climbing wall, messy play station, Bhangra dancing workshops, competitions and games.

The adults won't miss out either as there will be head or shoulder massages and beauty therapy sessions including file and polish treatments for nails. If that isn't enough everyone gets a choice of candy floss or

popcorn and water, juice, fruit and sweets will be available throughout the afternoon.

The prize giving ceremony for our Annual Garden Competition will take place during the event.

Last year's community fun day was such a success and the feedback we received very positive, so we hope to see you there.

The event will be on the land at the junction of Peat Road and Priesthill Road heading up to Househillwood Road.

£1.9m Investment in our Homes

During June we commenced our latest contract to deliver our planned maintenance programme. This contract will replace the windows and doors in our oldest stock (Dunside Drive, Glenlora Terrace and Drive, Glentyan Drive, Househillmuir Road, Househillwood Road, Lunderston Drive, Overtown Avenue, Peat Road and Priesthill Road) and is being delivered by CMS Window Systems. The windows are fully reversible 'A' rated double glazed PVCu windows and the doors are Secured by Design and either composite or PVCu. The contract is due to be completed by October.

A couple who have recently had their windows and doors completed on Peat Road are delighted and said

"It's wonderful, the traffic noise has all gone and our home feels much warmer. We have so much peace of mind knowing our door is so secure as well".

Good Neighbour Awards

We introduced the good neighbour award two years ago to recognise individuals who demonstrate special care, concern and provide assistance to other members of their community. Their efforts can make a difference in someone else's life and can generally make the neighbourhood a more pleasant place to live. We were disappointed that there were no nominations, we are still eager to recognise these unsung heroes and as such, we will continue to run the Rosehill Good Neighbour Award.

Who can be nominated? Anybody living within a Rosehill property of any age.

Who can nominate? Tenants living within a Rosehill property.

How do I nominate someone? Simply complete the good neighbour nomination form providing a brief description on how your neighbour helps you. The form will be available from reception or can be downloaded from our website. Once you have completed the form, please return it to our office.

Can I nominate more than one person? Yes, if you think there is more than one person who has made a difference.

Deadline to nominate Your nominations need to be in our office by the 16th of January 2020.

Date of award ceremony The winner will be announced at the 2020 AGM.

What if I have questions? Please contact the office and speak to Adam.

If you know of someone who you feel deserves a little appreciation for their hard work then please complete a nomination form and return it to the office.

We will put reminders about the Good Neighbour Award in the remaining newsletters for this year.

Eviction - The Last Resort

In July this year Rosehill enforced a decree for eviction against a tenant in respect of rent arrears. Rosehill's staff make every effort to work with tenants to assist with any problems with arrears. However, on occasion we are left with no option but to take drastic action against those who persistently fail to pay their rent.

Rent

If you are having any problems paying your rent we would urge you not to ignore the matter and contact Michelle or Anne in the Income Team, who are there to help. In addition you can speak to Parmjit our Welfare Rights Advisor at her surgery held every Wednesday morning in our offices at 250 Peat Road.

If you do not want to lose your home, please make sure you pay your rent. If you have any difficulties meeting this responsibility please contact our Income Maximisation Staff immediately.

Eviction - The Last Resort

It is with regret that we have to announce we evicted one of our tenants in January for Anti-Social Behaviour. While we consider eviction to be a last resort we feel it is necessary to take action where there has been a serious breach of tenancy as we have a zero tolerance approach to any behaviour that constitutes as a breach of tenancy.

ASB

In this case, we received information that one of our tenant's adult children had been involved in possession of drugs which resulted in the tenant being arrested, convicted and imprisoned for a year for committing a crime within the locality of the tenancy.

We referred the matter to our partner agency Community Safety Glasgow and our solicitors who agreed the nature and severity of the case merited that we had reasonable grounds to raise action against the tenant for a Decree for Eviction for Recovery of the property. This was duly granted in the Sherriff Court and the family lost their home as a result.

Update from Adam...

Road Repairs - Househillwood Road (Finally)

We are pleased that the work has finally been completed and the sections that were in complete disrepair have been resurfaced. We have also been advised that road gullies have been cleared as well, this will alleviate the problems with the road flooding during the wetter months.

If you have any complaints about the condition of the roads/pavements in your

neighbourhood, I would ask you, in the first instance, to contact the Road and Lighting department on either **0800 373 635** or **0141 276 7000**. Please ask for a reference number as this will help to keep track of your complaint.

You can also log any issues via the Council's website at www.glasgow.gov.uk under the roads and parking section on their homepage.

Craigbank / Househillwood Area

In general these areas are looking clean and tidy with only a small number of issues relating to untidy gardens and bulk lying around.

We are now well into the growing season, it is important that we work together to keep the area looking good. Please continue to keep your gardens in a good and tidy manner this includes the outside edges of your gardens.

If there is anything you would like to discuss with me please contact me on **0141 881 0595** to discuss.

Hurlet Tenements...

Close Inspections

I will be inspecting the closes regularly to ensure people are taking their turn at cleaning. I am aware that it is always the same residents who to take their turn however it is not down to a few to maintain a good standard of cleanliness.

Residents should be aware that not taking your turn to clean the close constitutes a breach of your Scottish secure tenancy agreement. I will be writing to those involved and closely monitoring the situation over the summer. Those found to be in breach of this condition may face action against their tenancy.

When you take your turn please remember to sign and date the rota located on each landing on completion of cleaning/washing stairs and landing.

We would also like to remind residents that storing bulk items in the close for any amount of time is potentially dangerous. These items are either a fire or trip hazard and should not be stored in the common areas for any reason. We will remove items we believe are causing a hazard to residents.

Common Areas and Backcourts

The garden maintenance contractor, Tivoli who work as the main landscaper for the open areas and back courts. There has been some disruption in their service which we have all noticed, however they have assured us that these issues will be rectified. They will be de-weeding and de-mossing the areas in and around the tenements to make sure these sections are brought up the reasonable standard.

We have added the pavements and paths within the square to the landscaping contract this will improve the area and keep the weeds under control.

Update from Angela...

Dog Fouling in Gardens

During my garden checks I am noticing that some of the residents appear to be allowing their pets to foul in their gardens. This must stop as it is unpleasant and a health hazard. If this continues we may ultimately require those involved to remove their dog(s) from their property.

...in Public Areas

Not picking up dog faeces in a public area is also illegal. People caught not picking up after their dogs are liable to prosecution. If any of our tenants have action taken against them by the Council for this, we will take action as part of their tenancy conditions.

Priesthill Tenements, Common Areas & Backcourts

The garden maintenance contractor, Tivoli are currently working on the main landscape areas and back courts. They are de-weeding and de-mossing the areas in and around the tenements to make sure the general areas are kept in order. We are looking at a few options to have the area surrounding the tenements maintained by our contractor and I have also met with one of Glasgow City Council's Neighbourhood Liaison Co-ordinators to discuss a clean-up of the stairs, trees & bushes on both sides of the tenements that lead from Priesthill Rd to Ravenscraig Dr. I am awaiting confirmation from Glasgow City Council of when the works will commence, I'm sure you will agree that once the works are complete it will make a huge difference to the area.

I must bring to your attention the rubbish and dirty nappies that I have witnessed lying at the side of the tenements, when the bins are being emptied in your area and you notice any spillages you must report this to Glasgow City Council's cleansing department asap on 0141 287 9700.

Being Assured

It is important to us to ensure we are doing things right and to help us achieve this we can use external sources to validate what we are doing. One of the main methods we use is Internal Audit. We are currently in Year 2 of our 3 Year Internal Audit Programme.

During the last 6 months, Wylie & Bisset, the company we employ to carry out Internal Audits, conducted the following audits:

Procurement and Contract Management systems/processes

This is about how we determine which companies do work for Rosehill, such as delivering our day-to-day repairs service, delivering improvement works to our homes and building our new homes. We need to ensure that the processes we follow are fair, open and transparent and enable us to achieve value for money.

Our Internal Auditor reported to us that, on the whole, we are doing things well but made two minor recommendations where we could improve; these relate to some training and an update of our Policy. Both these points will be addressed before the end of September 2019.

Financial Controls

This is about managing Rosehill's finances such as setting appropriate budgets and monitoring expenditure; having systems in place so that all money spent and income received is accounted for.

Our Internal Auditor reported to us that we are doing things well and had no recommendations for improvement to make.

Data Protection and Risk Management

These were audits carried out last year and to check that any recommendations have been put into practice the Internal Auditor does follow-up audits.

Data Protection relates to how we handle, process, store and share information we hold about our tenants, other customers and our staff.

Risk Management is about ensuring that we understand the risks Rosehill face and how we will respond to them.

The Internal Auditor reported that all recommendations had been dealt with and no further action was required.

In the Autumn our Audit Sub-Committee will decide, together with our Internal Auditor, what areas of Rosehill's work should be checked in the next 12 months.

Calling all young people!

There is hopefully going to be an addition to our staff team in the next couple of months.

Rosehill is planning to create a Modern Apprenticeship post which will be based in our Customer Services Team. We are in the process of identifying a Learning Provider to deliver the relevant training.

We hope to begin the recruitment process in the next few weeks and will post more information about this exciting opportunity, for a young person to join our Staff Team, on our website shortly.
