Rosehill Housing Association Limited - Entitlements, Payments, and Benefits Policy

1. Introduction

Who the Policy Affects

1.1 This policy is aimed at:

- All members of our Committee and of the Committee of any of our subsidiaries
- Everyone who works or volunteers for us or any of our subsidiaries

1.2 For the remainder of this policy the above will be referred to as “our people.”

Why we have this Policy

1.3 We are a Registered Social Landlord (RSL) and a Scottish Charity. We are part of a sector that has a strong reputation for integrity and accountability to the people we exist to help and to our Regulators, partners and funders. We must ensure that our organisation upholds its reputation and that of the sector. We have to ensure that our people cannot benefit or be seen to benefit inappropriately from their connection to us. Equally, we must protect our people from unjustified criticism and ensure that, wherever possible, no one is unfairly disadvantaged by their connection to us.

1.4 This policy describes the entitlements, payments and benefits that our people are able to receive. It also describes what is not permitted (and why) and the arrangements that we have in place to ensure that we are transparent and accountable in how we comply with the requirements of this policy and our regulators.

1.5 Our Rules require that we have a policy dealing with payments and benefits¹. The Scottish Housing Regulator (SHR) requires us to have a policy that sets out what payments and benefits we permit and to ensure that these arrangements demonstrate transparency, honesty and propriety². We must ensure there is no justifiable public perception of impropriety. This policy is based on the SFHA’s Model Entitlements Payments and Benefits Policy, which the SHR have confirmed meets their regulatory requirements.

¹ SFHA (2020) [Charitable Model Rules, Rule 37.1](#) “The Committee shall set and periodically review its policy on payments and benefits. If a person is a Member, employee of the association or serves on the Committee or any sub-committee he/she must not receive any payment or benefit unless it is permitted by the policy. In making any payment or conferring any benefit, the Association shall act at all times with transparency, honesty and propriety.”

² Scottish Housing Regulator (February 2024) [Regulatory Framework Standard 5.4](#)

- 1.6 As we are a Scottish Charity, all of our Governing Body Members must also ensure that they comply with the Office of the Scottish Charity Regulator (OSCR) guidance to Charity Trustees³ and charity legislation.
- 1.7 This Policy is intended to be a practical document that supports us in meeting all of the above requirements, ensuring that none of our people benefits (or is seen to benefit) improperly or inappropriately from their involvement with us, but also that they are not unfairly disadvantaged. We expect our people to act in good faith, and in applying the terms of the policy we will always take this into account.
- 1.8 As someone who is affected by this policy, you are personally responsible for ensuring that you are familiar with and comply with its terms⁴. You are also responsible for ensuring that the Register of Interests is always up to date: declaring interests that are relevant to your role with us is key to the effective implementation of this policy.
- 1.9 At all times, we expect a common-sense approach to be applied to the interpretation and application of this policy. If you are unsure about anything relating to entitlements, payments and benefits you should consult with the Chair or Director (if you are a member of the governing body) or with your line manager (if you are a member of staff).

the organisation or our people to offer preferential services or business terms and we will at all times comply with the Bribery Act 2010.

2. Managing Your Interests

Registering and Declaring Interests

- 2.1 Being open about any interests that our people have that are relevant to their role with us is critical to protect our reputation. Our Register of Interests helps to ensure and demonstrate that we conduct our affairs with openness, honesty and integrity. You must record in this register any interests that you or someone connected to you (see Section 3) has which are relevant to our business and /or our activities. You must maintain the accuracy of the interests you declare and confirm annually that your entry in the Register is accurate and up to date.
- 2.2 Our Rules require that any committee member who has an interest in a matter that is being considered withdraws from all discussions and plays no part in decision-making.⁵ Where you have a personal or business interest in any

⁵ SFHA (2020) [Charitable Model Rules 2020 Rule 37.2](#)

matter that is being discussed or considered, including at a meeting (or someone connected to you has), you must declare your interest and play no part in the consideration, discussion or decision-making; you must withdraw from any part of a meeting where the interest arises. This requirement does not apply to committee members who are tenants where matters are being considered that relate to policy implementation affecting all or a substantial number of the association's tenants (e.g. rent increases)⁶. The requirement to withdraw relates to matters in which someone affected by this policy has an individual interest e.g. where they are the tenant of a property that is being considered for exceptional treatment (e.g. associated with RAAC) and that a decision will have an individual and personal impact on. If a GBM who has a conflict of interest shares factual information about the matter with the Chair (or any other GBM), outwith the meeting to inform discussion, that must be declared that to the meeting and the Chair must ensure that it does not influence the outcome and decision-making.

- 2.3 Constitutional Standard 23 requires a RSL to “...*have a clear process to identify and address any conflicts of interest*”⁷. This policy has been endorsed by the SHR and so complies with regulatory requirements.
- 2.4 The Codes of Conduct which our committee and staff are required to uphold contain requirements about declaring interests that you should ensure you are familiar with and comply with at all times.
- 2.5 An annual report will be made to our committee on the entitlements, payments, benefits that have been recorded in the Register(s) by our people.
- 2.6 The following are examples of the kind of interest that you must declare and ensure is managed appropriately. Please note that this list is not exhaustive, and there may be other interests that you should also declare.
 - Tenancy of a property of which we are the landlord.
 - Occupancy or ownership of a property which is factored or receives property related services from us.
 - Receipt of care or support services from us.
 - Membership of a community or other voluntary organisation that is active in the area(s) we serve.
 - Voluntary work with another RSL or with an organisation that does, or is likely to do, business or engage with us.

⁶ Model Code of Conduct for GBMs (2024) Guidance to C8

⁷ SHR Regulatory Framework (2024) Constitutional Requirements

- Membership of the governing body of another RSL.
- Being an elected member of any local authority where we are active.
- If you purchase goods or services from us.
- If you purchase goods or services from one of our contractors or suppliers (see section 4).
- Significant shareholding in a company that we do business with (or are considering doing business with).
- Membership of any other body whose interests and/or activities may directly affect our work or activities.
- Ownership of land or property in our areas of operation. This excludes property for the purpose of your own residential use (i.e. there is no requirement for you to declare any house in which you currently live).
- Unresolved dispute relating to the provision of services in connection with a tenancy or occupancy agreement or a contractual dispute over the provision of goods or services with us.

2.7 You should be aware that in some limited circumstances, it is not possible to manage an interest effectively. Examples of an interest that cannot be managed effectively include – but are not limited to:

- someone who is a member of the committee or closely connected to a committee member cannot apply for or be appointed to a staff role or be engaged to provide goods or services to the RSL, someone who is closely connected to an employee cannot become a member of the GB, a senior member of staff or office bearer cannot be an elected member of a local authority which the RSL engages with.

In some circumstances, specific measures will be required to ensure that the probity and reputations of the organisation and its people are safeguarded e.g by ensuring that all employment is undertaken openly and transparently and without the involvement of anyone connected to any applicant; by ensuring that employees who are connected are not line-managed (directly or indirectly) by the person they are connected to – if this is not possible, the ‘benefit’ (employment offer) cannot be conferred. Confirming that all interests are openly declared at the start of recruitment and procurement processes will

assist in avoiding a breach of the policy and/or Code of Conduct or compromise regulatory compliance.

Entitlements, Payments and Benefits

- 2.8 Many of the interests you will be required to declare can be classed as entitlements, payments or benefits.
- 2.9 As one of our people, you are entitled to receive payments and benefits in accordance with the terms of our policies and, for staff, employment contracts. There are occasions where you could be offered benefits over and above what you are entitled to such as gifts or hospitality from external parties. These offers would be directly because you are one of our people and cannot always be accepted. We require that any such offers are managed and recorded very carefully to ensure the highest levels of probity in our organisation. Our people should not benefit – or be seen to benefit – inappropriately from their involvement with us.
- 2.10 Apart from payments that our people are entitled to by contract, statute, policy or other agreement (e.g. salary, expenses), we will only make a payment to, or accept a payment from, someone affected by this policy in exceptional circumstances. The table at section 6 explains the payments we can and cannot make in more detail.
- 2.11 As we contribute to the economy(ies) of the area(s) we work in and we have commercial and business relationships with many different companies, contractors, suppliers and service providers, you must ensure that we are fully aware of any connection that you or someone you are close to (see section 3) has with any of these businesses or organisations.
- 2.12 There are some entitlements, payments and benefits that we can never permit, and others where we have additional requirements or conditions that must be met, before we can permit.
- 2.13 The table at Section 6 lists the entitlements, payments and benefits that fall under this policy, and states:
- Which can be permitted by the organisation
 - Which will not be permitted by the organisation
 - Which you require to declare in the register of interests
 - Any other further requirements the organisation has before permitting

3. People Connected to You

Who Else You Should Consider When Declaring Interests

- 3.1 As well as considering your own actions, you must be aware of the potential risk created by the actions of people to whom you are **closely connected**. Someone ‘closely connected’ to you includes members of your household, family members and other relatives and your friends.
- 3.2 Who you should consider, and our expectations of you to identify and declare relevant actions, are outlined in Table A below. If you are in any doubt about whether or not a declaration is required, you should consult the Chair, Director or, for staff, your line manager.

Table A: People who are Closely Connected to one of Our People

Group	Required Response
<p>1. Members of your household This includes:</p> <ul style="list-style-type: none"> • Anyone who normally lives as part of your household (whether related to you or otherwise) • Those who are part of your household but work or study away from home 	<p>We expect you to be aware of and declare any relevant actions of all people in your household. You must take steps to promptly identify, declare and manage these.</p>
<p>2. Partner, Relatives and friends This includes:</p> <ul style="list-style-type: none"> • Your partner (if not part of household) • Your relatives and their partners • Your partner’s close relatives (i.e. parent, child, brother or sister) • Your friends • Anyone you are dependent upon or who is dependent upon you 	<p>Where you have a close connection and are in regular contact with anyone within this group, we expect you to be aware of and declare any relevant actions. Under these circumstances, you must take steps to identify, declare and manage these actions.</p> <p>Where you do not have a close connection and/or regular contact with someone in this group, we do not expect you to be aware of or to go to unreasonable lengths to identify any relevant actions. However, if you happen to become aware of relevant actions by such individuals, then these should be declared and managed as soon as possible.</p>

What You Need to Consider

3.3 The following are the relevant actions /involvement by those **to whom you are closely connected** that you should consider, declare and manage as per our expectations outlined in Table A (please be aware that this list is not exhaustive or exclusive and that some interests and their potential conflicts cannot be reconciled with the purpose and terms of this policy):

- A significant interest in a company or supplier that we do business with (or are considering doing business with). A significant interest means ownership (whole or part) or a substantial shareholding in a business that distributes profits, but does **not** include where an individual has shares in large companies such as banks, utility companies or national corporations, i.e. where owning shares would not give the individual any significant influence over the activities of that organisation.
- Where the individual may benefit financially from a company or supplier with which we do business (or are considering doing business with)
- Involvement in the management of any company or supplier with which we do business (or are considering doing business with)
- Involvement in tendering for or the management or delivery of any contract for the provision of goods or services to us.
- Application for employment with us.
- Application to join our Committee or any of its subsidiaries
- Application to be a tenant or service user of Rosehill Housing Association Limited or any of its subsidiaries

4. Use of Our Contractors & Suppliers

4.1 In order to help us maintain our excellent reputation, where possible you should avoid using the organisation's contractors/suppliers for your own personal purposes. We have made a list available to all of our people which outlines the contractors and suppliers that fall under the terms of this policy. This is included at Appendix B.

4.2 We recognise that there could be certain circumstances where it might not be possible for you to avoid the use of all the contractors/suppliers on this list, such as where market conditions in your local area make it difficult to obtain a reasonable selection of potential contractors or suppliers. Under such circumstances you could be permitted to use those contractors/suppliers

outlined at Appendix B, provided you are able to demonstrate that your involvement with us did not result in you receiving preferential treatment in terms of price, quality or any other aspect of service delivery.

- 4.3 Approval to use those contractors listed at Appendix B is at the discretion of the approving officer (in accordance with our scheme of delegation). In order to be granted approval, you must be able to demonstrate that there is no reasonable alternative contractor/supplier providing the service required in your local area, and that you will receive no preferential treatment in terms of service or cost (which you will be required to demonstrate through quotations and receipts)
- 4.4 If you are looking to purchase goods or services from any contractor/supplier on this list then you must make a declaration in the register outlining:
- That you have received approval from the appropriate approving officer prior to the commencement of works
 - That you received no preferential treatment in terms of service or cost (which you will be required to demonstrate through quotations and receipts).
 - Where you inadvertently use a contractor on the list at Appendix B in an emergency situation, you must notify the approving officer as quickly as possible thereafter and enter an appropriate declaration in the register.
- 4.5 Any contractor/supplier not included on the list at Appendix B can be used without the need for any declaration/further action. Appendix B represents the majority of the contractors/suppliers that we use, but does not include any of our contractors/suppliers that:
- Only provide services of a small value (e.g. local window cleaners or sandwich shops) or
 - Have such a large national or local standing that no favour could ever realistically be gained (e.g. Amazon, utilities, telecoms providers, banks or national chains)
- 4.6 The approving officer will have an appropriate level of seniority, in accordance with our scheme of delegation. In making their decision, the approving officer will consider the level of potential reputational risk or any potential conflicts of interest that may arise by granting approval and, if granting approval, consider the steps required to mitigate against future conflicts of interest. This includes ensuring that the individual is not involved in any transactions with or decisions about the contractor/supplier in question on behalf of the organisation.
- 4.7 Rosehill Housing Association will maintain a clear audit trail of every approval to use any of our contractors listed at Appendix B. The total number of our people to use contractors and suppliers, including the reasons for approval, and confirmation that no advantage was gained due to an individual's role within the organisation - will be formally reported annually to our Committee.

5. Granting a Tenancy

- 5.1 Being one of our people or being closely connected to one of our people should not prevent someone being allocated a tenancy if they are in housing need and the terms of our allocations policy are met. To ensure transparency and probity, consideration of the application/allocation should be carried out completely independently of the individual; their connection to the RSL must be explicitly identified and the allocation should be approved by a senior officer in accordance with our Scheme of Delegated Authority. The allocation should be registered within FIVE days of being made and reported to the next meeting of the Governing Body, along with confirmation that the necessary management processes were followed.
- 5.2 This is outlined within the entitlements, payments and benefits table at section 6 of this policy (see [6.12](#)).

If this optional Rule has not been adopted, payment is NOT permitted.		Rosehill has decided that Committee Members will not receive a payment for their role as a Committee Member. The payment must be recorded in the register of interests within five days of the appointment being confirmed and the register must be kept up to date]
6.3	All payments made in accordance with the terms of our expenses policy including: <ul style="list-style-type: none"> • payment of permitted out of pocket expenses • reimbursement of travel costs 	Yes	Entitlements in connection with your role as one of our people set out in our expenses policy are always permitted and do not need to be declared provided claims are made in accordance with our procedures.
6.4	Provision of a loan by the organisation to one of our people	No	This is not permitted unless in connection with the contractual terms of employment (e.g. a loan to support education or training costs). We cannot make any other loans to individuals.
6.5	Redundancy or Voluntary severance payment to an employee	Yes	We can make redundancy payments to an employee in line with terms their contract Or We can make a voluntary severance payment (often referred to as a Settlement Agreement) to an employee which is outside the terms of their contract of employment provided: <ul style="list-style-type: none"> • It arises directly from a decision to terminate the employee's contract of employment and is in

6.6	An offer of employment (temporary or permanent) to someone who is closely connected to a member of staff	Yes	<p>This is permitted as long as:</p> <ul style="list-style-type: none"> • There has been an open recruitment exercise in accordance with our policy that you have not played any part in <i>and</i> • You have no direct or indirect line management or supervision responsibility for the post <i>and</i> • The offer of employment complies with our policy and is approved by the Director <i>and</i> • You record your connection to the successful applicant in the register within five days of their acceptance of the offer.

REF	EXAMPLE	CAN THIS BE PERMITTED?	ACTION NECESSARY
			Since there can be no direct or indirect line management responsibility, someone who is closely connected to the Director cannot be appointed to any role.
6.7	<p>The offer of employment (temporary or permanent) to someone who is:</p> <ul style="list-style-type: none"> • A current member of the Committee • Was previously a member of the Committee in the past 12 months • Is closely connected to a current member of our Committee 	No	This cannot be permitted. This is because the governing body is the employer and determines all policies, terms and conditions relating to our employment practices. Consequently, it is very difficult to avoid the risk of a perception that someone closely connected to one of our people may have been unfairly advantaged or that an employee or a committee member may be able to exert inappropriate influence. Equally, if someone who is, or has recently been a member of the GB, it is essential to ensure that it is not possible for there to be any risk of a perception that they have received favourable treatment and/ or had access to privileged information about a post that they are subsequently recruited to.
6.8	<p>Appointment of one of our staff members to the Committee</p> <p>SFHA's Model Rules contain an optional rule (Appendix E, Rule 37) that, if adopted, permits a specified number of staff to be appointed as executive members of the Committee. If this amendment has not been adopted, staff CANNOT be members of the Committee</p>	<p>[Yes or No]</p> <p>No</p>	This cannot be permitted in accordance with the Rules of the organisation. <i>If this is permitted by the RSL's Rules, the terms of Constitutional Standard 20 must be clearly observed (executive members cannot hold office, do not contribute to a quorum and cannot receive additional payment for their role as a member of the Committee).</i>

REF	EXAMPLE	CAN THIS BE PERMITTED?	ACTION NECESSARY
6.9	Nomination, election or co-option to the governing body of someone who was, in the last twelve months, a member of staff	No	This cannot be permitted. This is because the governing body is the employer and determines all policies, terms and conditions relating to our employment practices. Consequently, it is very difficult to avoid the risk of a perception that someone who has recently been an employee may be able to exert inappropriate influence.
6.10	Nominations to join the Committee from people who are connected to a serving member. SFHA's Model Rules contain an optional Rule 43.1.12 which, if adopted, prevents someone closely connected to a serving member of the Committee from seeking election or being co-opted	[Yes or No] Yes	This can be permitted in accordance with the Rules of the organisation. The rules do not permit this where the person lives at the same address as a Committee Member.
6.11	Nomination to join the Committee from someone who is closely connected to an employee	No	This cannot be permitted. This is because the governing body is the employer and determines all policies, terms and conditions relating to our employment practices. Consequently, it is very difficult to avoid the risk of a perception that someone closely connected to one of our people may be able to exert inappropriate influence. Nomination/application forms should require potential GBMs to identify anyone they are closely connected to: if a nominee is closely connected to a current employee, Rule 39.3.2 permits the GB to reject the nomination ⁹ .

⁹ 39.3 A nomination for election to the committee can be rejected by a decision by not fewer than three quarters of the committee members on one or more of the following grounds: ... 39.3.2 where a conflict of interest may exist which, even allowing for the disclosure of such an interest may adversely affect the work of the association

Adaptations must comply with our policy and be approved by the Technical Services Manager. The adaptation should be recorded in the register of interests within five days of approval.
